I Objective

The Board Risk Management Committee (“BRMC” or “the Committee”) assists the Board of Directors (“the Board”) to:-

- (i) oversee the effectiveness of the overall risk and compliance management framework and policies supporting the Bank’s strategies and risks, and risk related decision-making activity to ensure the management of bank-wide entity specific risks and alignment to the Bank’s risk appetite, strategies and capital, and prudent practices in risk taking activities;
- (ii) oversee the Senior Management’s activities in managing credit, market, liquidity, operational, outsourcing, information technology (“IT”), cyber security, business continuity management (“BCM”), money laundering / terrorism financing / proliferation financing & targeted financial sanctions (“ML/TF/PF & Sanction”), compliance, legal, sustainability including environmental, social and governance (“ESG”), emerging and other risks;
- (iii) oversee the recovery activities i.e. development, maintenance, and implementation of the recovery plan;
- (iv) ensure the integrated risk management functions within the Bank are in place and effectively discharged;
- (v) review Senior Management’s recommendations to the Board of Directors on risk and compliance management aspect;
- (vi) provide oversight on the Bank’s ethical behaviors and anti-bribery and corruption management, and ensure it operates at all times within applicable laws, regulations and with due regard to ethical standards. This includes but not limited to Malaysian Anti-Corruption Commission Act, prevailing guidelines issued by regulators and standards relating to ethic, code of conduct and conflicts of interest; and
- (vii) provide oversight on credit transactions and exposures to connected parties

II Size and Composition

1.0 The BRMC shall comprise of:-

- 1.1 at least three (3) members;
- 1.2 all must be non-executive directors;
- 1.3 majority shall be independent directors; and
- 1.4 at least one member of the BRMC should have risk management expertise or experience.

III Roles and Responsibilities

The BRMC shall be responsible for:

1.0 Risk Management Functions

- 1.1 To provide overall oversight and governance of risk across the Bank and ensures that the Senior Management promptly informs the Committee of regulatory and non-regulatory non-compliances and breaches.
- 1.2 To oversee the overall risk management covering but not limited to credit risk, market risk, operational risk, liquidity risk, IT and cyber security risk, business continuity management risk, and ESG risk of the Bank.
- 1.3 To provide oversight on credit transactions and exposures to connected parties, including recommend credit transactions with connected parties for the Board's approval and monitor aggregate credit exposures to connected parties.
- 1.4 To provide oversight and review the recovery planning of the Bank and recommend the recovery plan for approval by the Board.
- 1.5 To review the Pillar 3 disclosure as well as Management's periodic reports on risk exposure, risk portfolio composition and risk management activities and issues or matters relating to compliance.
- 1.6 To promote management of the Bank's risk in accordance with a risk-return performance management framework.
- 1.7 To promote a prudent risk and compliance culture across the Bank.
- 1.8 To ensure that the Bank has in place effective risk management policies, processes, organisation/resources and systems, and ensure the adequacy of these functions to maintain a satisfactory level of risk management and discipline.
- 1.9 To consider and recommend the appointment, remuneration and dismissal of the Chief Risk Officer as well as the performance evaluation. In the case of the resignation or removal of the Chief Risk Officer, the Committee should be provided with the avenue to understand the reasons and circumstances leading to the resignation.

2.0 Risk Appetite

- 2.1 To provide oversight in the setting of the risk appetite/tolerance as well as strategic Key Risk Indicators and ensure the Bank's business and operations (including IT and cyber security) activities are in line with its risk appetite, strategy and profile.
- 2.2 To review and recommend the Bank's overall risk strategy and methodology as well as risk appetite to the Board for approval.

- 2.3 To deliberate and assess the nature and materiality of risk exposures and its impact on capital.
 - 2.4 To review the Bank's overall stress testing methodology which should cover various material risks and business areas. The results of the stress test should facilitate the development of risk mitigation or contingency plans for the stressed scenarios.
- 3.0 Policy and Framework
- 3.1 To review and assess the adequacy of risk related policies and framework including Internal Capital Adequacy Assessment Process (ICAAP), risk appetite, credit risk, operational risk, market risk, liquidity risk, IT risk, cyber security risk, BCM, bribery and corruption risk, ML/TF/PF & Sanction, ESG, recovery planning, outsourcing risk, corporate governance and compliance risk related policies and framework in identifying, measuring, monitoring and controlling risk and to the extent to which these are operating effectively.
